

## Pretty Little Pots

By Wendy Williams

### 17. Pri Chi's Pot

Finished size: 4 1/4" x 6"

#### Requirements:

Background fabric: 6" x 7"

Wool: 2" x 2" pumpkin, apricot, aqua 1" x 1" orange, 2" x 1" leaf green

80 weight thread (or similar): neutral

Batting: 3" x 3"

Cotton for pot: 3" x 3 1/2"

Freezer paper

## Cutting:

1. Cut out the background fabric 5 ¼" x 7".  
The block will be trimmed when finished to 4 ¾" x 6 ½"
2. Cut out the pot (L) in cardboard and batting
3. Cut out the fabric for the pot allowing approx. ½" seam allowance around all edges.

## Making: Little Pot

As before

1. Place the batting onto the cardboard pot shape.
2. Place the fabric over the batting and glue to the underside of the cardboard. Try to fold the fabric over as tight as possible.
3. Press the fabric from the right side and then again from the underside. Allow to cool and then carefully remove the cardboard. (a cuticle stick is helpful for this)
4. Using the template as a guide for placement, pin the pot into position.
5. Stitch with small slip stitches to attach the pot to the background.

## Flowers, leaves and stem:

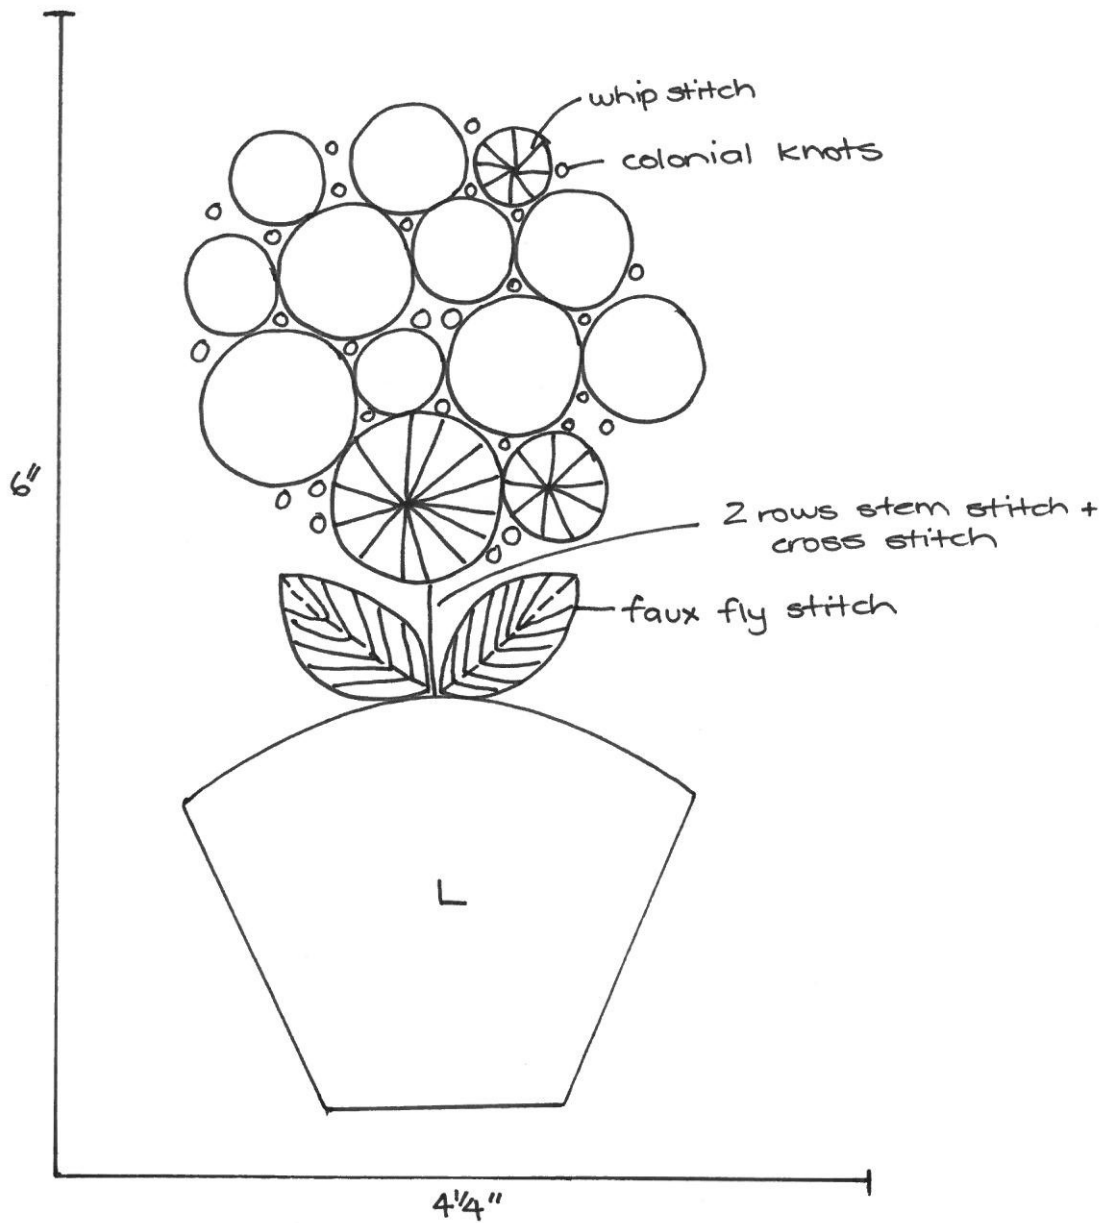

1. Trace the patterns for the flower circles and petals onto freezer paper and cut out or use your circle templates for the circles.
2. Cut out the wool shapes for the flowers and leaves.
3. Place the flower circles onto the background. Pin and stitch in place with whip stitch.
4. Stitch some colonial knots around the circles.
5. Chalk on the line for the stem. Stitch this with 2 rows of stem stitch. Stitch some crosses over the stem stitch.
6. Pin the leaves onto the background. Starting at the lower edge of the leaf, stitch a row of backstitch through the centre of the leaf to the top of the leaf.

Faux fly stitch: (as before)

Bring your needle out at the side at the top of the leaf, slide your needle under the 3<sup>rd</sup> or 4<sup>th</sup> backstitch in the centre and stitch back up to the side at the top. Take a small stitch on the side and repeat by sliding under the next backstitch in the centre and back up to the other side. (as for block 15, 16)
